## Press Release

## **Resolvo (Cambodia) to be exclusive partner for SAINS products and services**

### **Phnom Penh, April 6, 2007:**

A Memorandum of Understanding (MOU) was signed between Resolvo (Cambodia) and SAINS of Malaysia assigning Resolvo (Cambodia) exclusive partner for SAINS products and services. With this MOU, Resolvo (Cambodia) has a complete offering of solutions and services that spans the private and public sector.

Resolvo (Cambodia) is a leading ICT Solution partner for your business in Cambodia. They are aligned with global ICT market leaders to provide "best of breed" solutions for diverse business needs. Together with their strategic partners, they process deep domain knowledge in various industries particularly in the Banking, Logistics, Telecommunications and Education Sector. Across industries, they provide Enterprise Resource Planning, Infrastructure and Security solutions. One of their major strengths in Cambodia is Localisation capability for ICT implementations that adhere to International Standards.

SAINS is an ICT company in Malaysia specializing in Public Sector solutions and services. They have been the exclusive ICT provider to the State Government of Sarawak since 1992. Sarawak is the leading State Government in Malaysia in ICT and is a model for advancement in ICT with over 200 applications implemented to date. The solutions include Land Management, GIS, Recruitment, Human Resource Management, Libraries, Electronic Payments, Billing, Document Tracking and a lot more. They have also implemented one of the largest ICT private network in Malaysia covering an area almost equaling the size of peninsula Malaysia with over 400 LAN nodes using a mix of leased land lines, 150 wireless broadband stations and 130 VSAT stations. This is managed through 28 network operation centres.

The signatories are Mdm Tov Reaksmeay Executive Director of Resolvo (Cambodia) and Mr. Chin Koon Siang representing Mr Teo Tien Hiong, CEO of SAINS.
